Ethnic background

Federal law requires that institutions of higher education gather the following information regarding the ethnicity and race of their students and employees. Your individual information will be kept strictly confidential. The law only requires institutions to report aggregate totals for each category.

Select the appropriate response regarding your ethnicity and your race:

1. Is your ethnicity Hispanic/Latino (Cuban, Mexican, Puerto Rican, South or Central American, or the Spanish culture or origin)?
   □ Yes, Hispanic/Latino □ No, not Hispanic/Latino

2. What is your race (select one or more):
   □ White □ Black/African American □ Asian
   □ American Indian or Alaskan native □ Native Hawaiian or other Pacific Islander

*The social security number (SSN) you provide for enrollment purposes, or when requesting specific services, will be used by the University to verify your identity for official record keeping and reporting. If you choose not to supply your SSN, certain services, such as transcripts, enrollment verification, tax reporting, financial aid, and other services may not be available to you, and Penn State cannot guarantee a complete academic record for you. Your SSN will be stored in a central system and only used for official reporting and record keeping. It will not be used as a primary source to identify you within the Penn State system; the PSU ID will be used as the primary identifier.

Note: This course may be cancelled if minimum enrollment is not met.
